

CENTRUMSPED has been appointed by ABF as the only official forwarding agent on the Fairground PVA Letnany since September 1st 2010. Centrumsped is authorized to proceed forwarding services in exhibition indoor and outdoor places and to provide all forwarding and customs services for exhibitors or their representatives and suppliers.

CENTRUMSPED especially provides freight of exhibits, standfitting material for exhibition stands and displays, unloading and loading from vehicles including delivery of the goods to exhibition stands, handling assembling and dismantling works, collection, storage and return of empties, packaging of shipments also with straps, warehousing, customs clearance and representation of exhibitors at customs house, issuing of accompanying documents and other related services.

CENTRUMSPED has been established already in 1992, is a member of Chamber of Commerce of the Czech Republic, a member of Association of Forwarders and Logistics of the Czech Republic, and the only one in the Czech Republic is also a member of reputable International Exhibition Logistics Associates I.E.L.A., ancillary member of UFI.

CENTRUMSPED has access to all European's and World's Exhibitions and Fairs with the optimal conditions. Centrumsped provides import of exhibition shipments from the whole World to the Czech Republic and export of czech exhibition shipment to events all over the World as well.

CENTRUMSPED offers you maximal flexibility in performance of your requirements and tasks. Before each exhibition event we will contact you by e-mail and send you all necessary instructions and the forwarding tariff as well. For our successful cooperation it is sufficient to order the services by e-mail at the usual time in advance. Phone consultations are matter of course.

CENTRUMSPED looks forward to work with you!

Tomas Dospisil
managing director
